Visit of SPL LYON PART-DIEU
(local public redevelopment company / urban project management)
Thursday, 20th October 2016 – meeting time: 3.45pm. REGISTRATION HERE.

The Part-Dieu area is the main economic neighborhood of the Metropole de Lyon and a major asset for the national and European attractiveness of Lyon. It is one of the main gate to enter the city with its major transport hub connecting with all the country and major European metropolis.

The area is now going through an innovative urban redevelopment to increase its capacity to welcome businesses and develop new services. The main objective: competing with other European economic hubs and increasing economic performance. More information.

PROGRAMME: THE VISIT WILL BE HELD IN ENGLISH.

Welcome speech by the SPL teams.

Presentation of the challenges surrounding the project, the planned urban construction and the new services promoted to make this area the heart of the city.

Presentation of the model to have a global overview of the urban project.
